- Debt collection (driver, broker, customer)

SAFETY

At Cloud 9 we take safety seriously. By prioritizing the well-being of your employees and your company, we make sure that you never have to pay costly fines.

The Cloud 9 safety team will do the following:

- Create and maintain the database of Driver Qualification Files and Records
- Monitor Driver Logs and Time Records
- Run all necessary previous employment verifications for drivers
- Administer random drug and alcohol testing
- Manage traffic citations
- Prepare necessary documents for claims
- Setup DOT Medical and PSP
- Contest the CSA Violations
- DOT Audit
- Perform Driver safety Trainings

...and...

Complete the new drivers' background screenings:

- Previous employment verification,
- MVR verification
- CDL evaluation
- DOT qualification
- Medical card evaluation
- Pre-employment drug screening

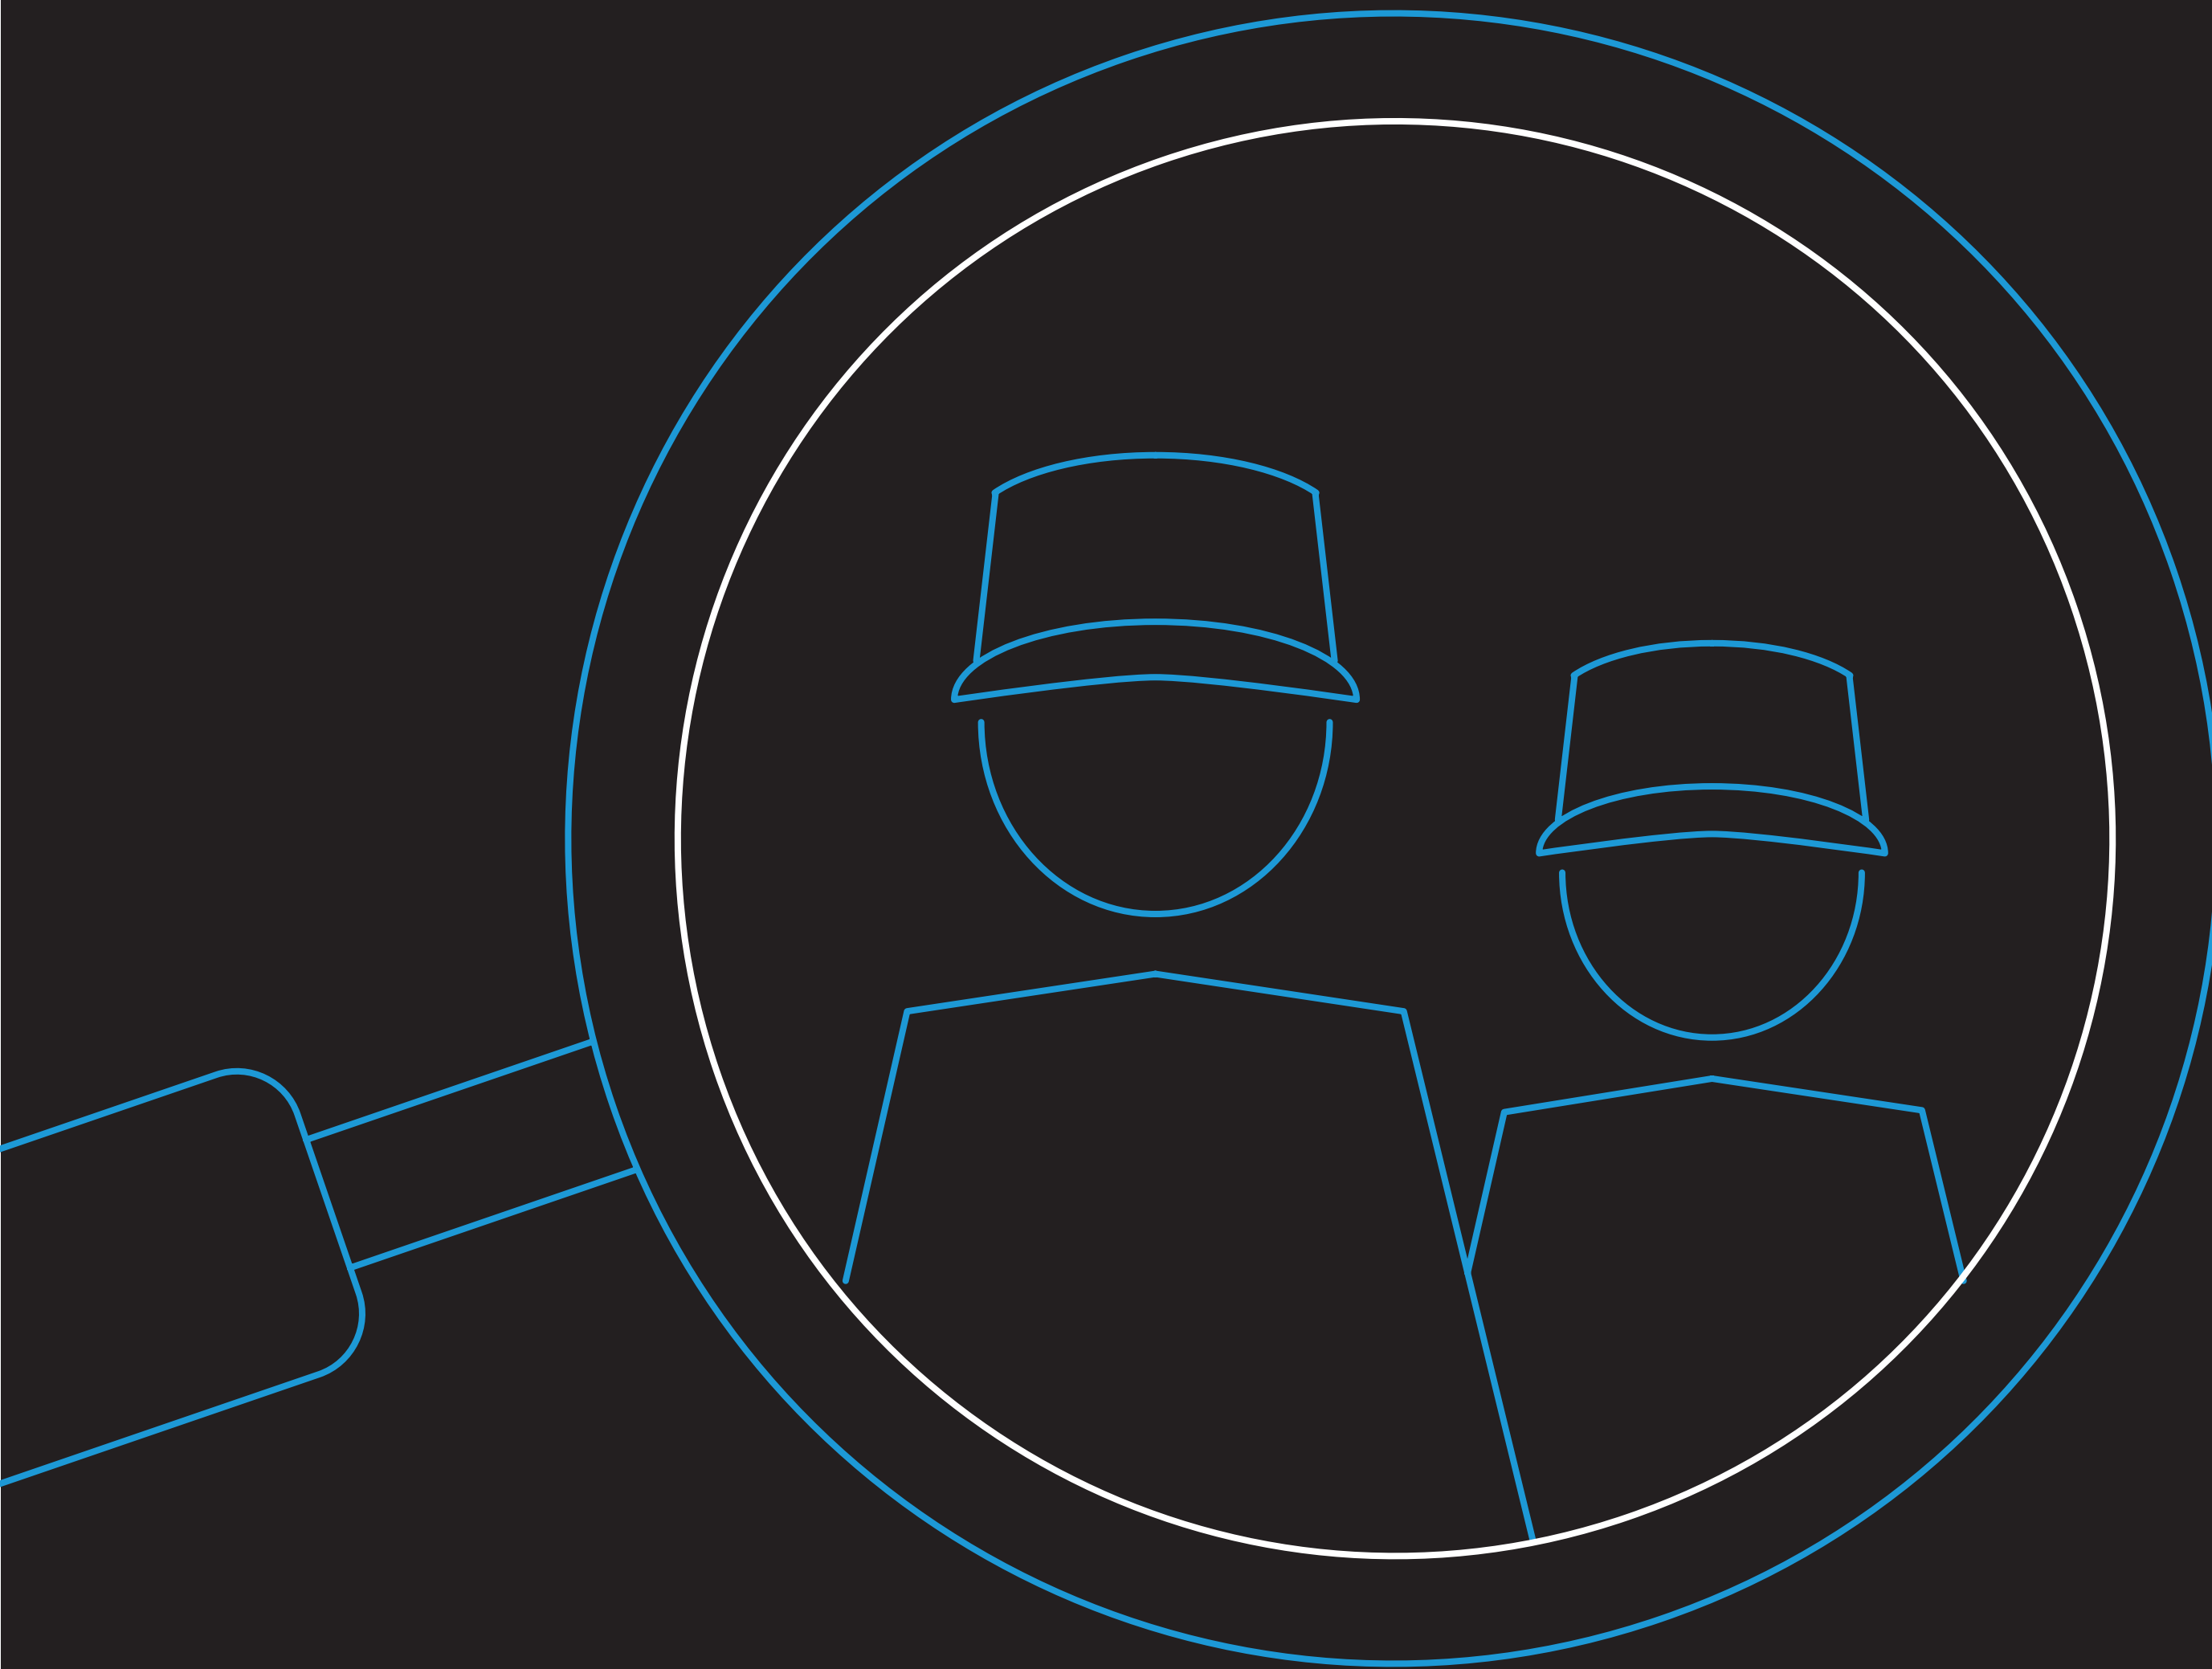

DRIVER RECRUITMENT

Our accounting team serves to save you time and money. They are experts in implementing cost-effective solutions in the trucking industry.

Highly-motivated, multilingual, experienced, and friendly professionals make up our recruitment team. They work around the clock to provide our clients with the best professional commercial drivers.

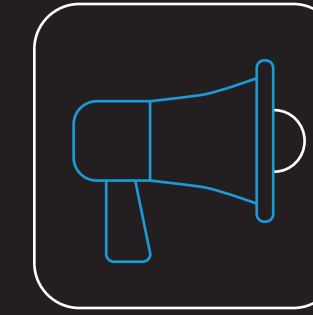

Our driver recruitment team will:

- Contact the drivers
- Negotiate the job offer
- Schedule driver arrival

MARKETING

We implement a mix of modern and traditional marketing strategies customized in a way to suit the needs of your business.

Cloud 9 evolved a decade ago from a family run owner-operator trucking business, so from the very beginning we recognized the emerging need for support in the trucking industry.

We know the business, we know the challenges the transportation companies go through, and best of all, we know how to make your company gain a stellar success!

Give us a call and see how we can customize solutions to fulfill your exact business needs, while showing you **AN IMMEDIATE REDUCTION IN THE OVERALL COST OF YOUR TRANSPORTATION BUSINESS.**
